

Sample Health and Safety Policy for u3as

Category: Risk assessments

Purpose

This policy is not to be confused with safeguarding. Safeguarding is about protecting an adult's right to live in safety, free from abuse and neglect. Health and Safety is about minimising or removing the risk of accidents and injuries.

Scope

Relevant to all u3as.

The [Health and Safety at Work Act 1974](#) only applies to paid workers, although volunteers must still be protected from risks. The u3a should ensure that reasonable care has been taken to avoid harming others and that participants are aware of the risks.

Waltham Forest u3a aims to provide and maintain safe and healthy conditions and environments for all members including during the meeting of u3a groups, monthly meetings, social events and at u3a publicity events outside of our normal meeting venues.

Insurance

Waltham Forest u3a is covered by the insurance provided by The Third Age Trust. Further details about the insurance cover can be accessed on the u3a website www.u3a.org.uk/advice. If any activities are being considered that **Waltham Forest u3a** is unsure they are covered, they will contact the u3a Office for further advice. The Third Age Trust provides third party liability insurance however extreme sports and high hazard activities may not be covered. Please check before running an activity.

Risk Assessments

Waltham Forest u3a will ensure the Committee, Group Leaders or those responsible for a meeting or event complete a risk assessment(s). These will be used to identify any risks and explore how they could be mitigated. **Waltham Forest u3a** is aware that some venues used for meetings or events may already have their own risk assessment, these should be reviewed and where mitigations identified, ensure they are actioned. E.g. a venue may state that no more than 5 chairs should be stacked together and or nothing placed in the way of fire escapes. Clear instructions and guidance should be provided to anyone who requires it. Further information, guidance and templates about risk assessments can be downloaded from the u3a website: www.u3a.org.uk/advice

Responding to accidents/incidents and dealing with emergencies

In the event of an incident or accident the **Current Chair or Secretary** of **Waltham Forest u3a** should be informed as soon as possible. If a u3a member is involved in an accident or incident whilst taking part in a u3a event **Waltham Forest u3a** will ensure those who were involved and who witnessed the event complete an incident report. (template available www.u3a.org.uk/advice). This must be completed and shared with those who need to have access to it, including the Committee Chair and kept on file by the Secretary (for **three**

years). It will also need to be shared with **National u3a** and the insurers in the event of an insurance claim.

Lone volunteering

There may be occasions where u3a members may be carrying out activities for **Waltham Forest u3a** on their own. For example, opening a venue for a meeting, setting up for a meeting etc. Where this occurs the u3a member should ensure someone else knows where they are and when they should be expected back. The u3a member should also know who to contact in the event of an incident or accident and ensure they have, for example, their mobile phone with them and avoid activities at height e.g. using a ladder.

Manual handling

All u3a members should think about manual handling in advance to avoid injury to themselves and others. Members should not carry out any manual handling tasks if they are not able to manage them and should ask for help from other u3a members.

Venues

Where **Waltham Forest u3a** uses external venues who have their own policies and procedures and risk assessments **Waltham Forest u3a** will ensure these are followed. This will include making sure all u3a members in attendance are aware of what to do in the event of a fire alarm/evacuation. If **Waltham Forest u3a** is hosting an open day this will also include ensuring those who are not u3a members are also informed.

Waltham Forest u3a will ensure this policy is kept up to date and reviewed annually.

Related documentation
